OFFICE OF THE DISTRICT MAGISTRATE, CHANDIGARH

Order under Section 144 Cr.P.C.

The 12th February, 2021

No. DM/MA/2021/2981.—Whereas, it has been made to appear to me that Hookah Bars are operational in Chandigarh in a clandestine way, which are serving flavored Hookahs including tobacco molasses containing nicotine, which is highly injurious to health of people and at times there is a suspicion that apart from tobacco, other harmful narcotic chemicals are also mixed with tobacco molasses served in these Hookah Bars.

Whereas, the Hookah in many of these Bars is being smoked/consumed by the people/customers through a common bowl, pipe and a hose having mouth piece, which is susceptible to physical mouth to mouth touch of many persons, thus posing danger to human life, health and safety by becoming a cause of as well as leading to the transmission & spread of pandemic COVID-19 in Chandigarh.

Hence, the undersigned is of the opinion that immediate prevention of the above said practice is desirable in view of the general health and goodwill of the public.

Therefore, I, Mandip Singh Brar, I.A.S., District Magistrate, Chandigarh, exercising the power vested upon me under section 144 of the Cr.P.C., hereby order that no Hookah shall be served for smoke/consumption in Hotels/Restaurants/Taverns/Bars/Hookah Bars, etc. The Hookah Bars are thus banned to operate in Chandigarh with respect to their offering Hookahs to the visitors.

This order shall come into force **from zero hours on 13-02-2021** and shall be effective for a period of sixty days **up to and including 13-04-2021**.

In view of the emergent nature of the order, it is being issued *ex parte* and is addressed to the public in general. Any person violating this order shall be punished under section 188 of the I.P.C.

(O.A. No. 384 of 2016) AND P.E.T.A., India *Vs.* U.O.I. and Ors. (O.A. No. 442 of 2016), it has been made to appear to me that a large number of people flying the kites, use synthetic/nylon-glass coated thread popularly known as Pakka thread/Dori and Chinese Maanjha/Dori. These Maanjhas/Doris, being made of synthetic material are non-biodegradable and thus cause serious injuries to human beings, birds and are equally disadvantageous and harmful to the wildlife/environment. In some cases, it had also caused death of humans and birds.

And therefore, I, Mandip Singh Brar, I.A.S., District Magistrate, Chandigarh, am of the opinion that use of above said synthetic/nylon-glass coated thread popularly known as Pakka thread/Dori and Chinese Maanjha/Dori needs to be regulated in the larger public interest and immediate necessary action is necessary to be taken to prevent serious injury or death to human beings and birds along with harm to wildlife and environment, due to above said Pakka thread/Dori and Chinese Maanjha/Dori.
